## Work Experience

25/100

List key positions that highlight your value to potential employers. This includes volunteer, extra-curricular, internship, and work experiences. For every position listed, you receive points. The score is out of the top-scored resume at your university, which may include a mixture of long-term, short-term, and internship experience. Work with your advisor to figure out how you can gain more experiences to list on your resume.

**Fact:** Students who include at least one internship on their resumes are 57% more likely to get a job within 60 days of graduation than students with zero.

## Steps to Improve Score

When you pay close attention to detail, you can polish your resume to a brilliant shine. Quinn takes a lot of factors into account—the same ones potential employers are noticing. Here's how you can improve:

- ✓ Securing another job or internship will help you stand out in a sea of applicants! Look for opportunities through Quinnia and your career center as soon as possible.

- ✓ Check that you've listed relevant courses, spelled your degree correctly, and, if need be, explore what you can do to boost your GPA. Then, shine on!

- ✓ Listing key details—like awards and extracurricular roles—makes your resume eye-catching. Rack your brain so you don't omit any!
